

HARMONIZED SALES TAX (HST)

All yearlings sold in this sale will be subject to 13% H.S.T. If you have registered your horse business for H.S.T., you may be able to recover this tax when filing your next H.S.T. return.

FOREIGN BUYERS AND THE H.S.T.

Foreign buyers will not be charged H.S.T. if they complete the pre-sale export delivery agreement, agreeing that a licensed commercial carrier will deliver the yearling at their risk and expense to a location outside of Canada. This agreement must be on file with the Sales Office prior to bidding.

Foreign buyers taking delivery of a yearling in Canada will be charged 13% H.S.T. But may be eligible for a rebate if the yearling is not used in Canada after purchase and is exported within 60 days. It is our understanding that the forms for rebate are available at Canada Customs at time of export.
